14	That if you understand things you don't need to stay in class and be bored the whole time. The teachers shouldn't treat everyone the same and teach the same things to each class. 48	more money to the better athletic programs	Mar 29, 2011 8:13 AM
49	recess	Mar 29, 2011 8:13 AM
50	I think if more students cared about doing well the school as a whole would do a lot better. Also some teachers don't take the time to explain certain things to people who don't understand, but instead send them off to someone else to teach them. It's very frustrating.	Mar 29, 2011 8:14 AM
51	Something to make better in school would be discipline. In some classes, bluntly speaking, some teachers do NOT have backbones and just let students walk all over them and tell them what to do. The teachers are our superiors and should be able to tell students to, pardon my language, Shut Up.	Mar 29, 2011 8:15 AM
52	I would have more students listen in class instead of making it hard for others to concentrate. Also, since it's extremely hard to take P.E. classes when you have a busy schedule, I would like to make it easier to get P.E. credits for doing things like the Musical.	Mar 29, 2011 8:15 AM

Q14. If you could change something about your school to make it better, what would it be?

53	Actually getting help when asking a teacher for it.	Mar 29, 2011 8:15 AM
54	Some "honors" classes don't have very high expectations, and some students take advantage of this and slow the course down for the rest of the students.	Mar 29, 2011 8:16 AM
55	I would change the teachers that give out detentions for nothing.	Mar 29, 2011 8:17 AM
56	A small thing that bothers me is the bell. I wish we could have like music playing in between classes instead of a beep. Another thing is the number of gym credits we have to take in order to graduate. I play a fall sport, but I don't have enough time in my schedule. I have to drop one of my electives in order to take gym.	Mar 29, 2011 8:17 AM
57	To make the food more tasty, aka provide a salt shaker, that's all you need to make things some what good. and possibly get a new group of math teachers..., and to not have midterms, and change the study hall rules.. cause im pretty sure pratt just makes them up, and they're all a load of bullshit. We're in high school i think we can handle sitting in the cafeteria without causing any trouble..	Mar 29, 2011 8:17 AM
58	The disrespect of the other kids toward one another.	Mar 29, 2011 8:18 AM
59	I would make the honors classes more like honors. I feel that the requirements and expectations of them are slipping. What makes and honors class an honors class? What makes the students honors students?	Mar 29, 2011 8:19 AM

73	I would completely renovate the entire school.	Mar 30, 2011 8:18 AM
74	Having the teachers treat kids fairly and discipline everyone fairly. Having some specific teachers talked to about respecting kids and how they talk to them.	Mar 30, 2011 8:19 AM

83	I think teachers should try to change what they teach for kids needs.	Mar 31, 2011 8:23 AM
84	I would make some teachers change. I think in some of the most important subjects there are lousy teachers.	Mar 31, 2011 8:28 AM

94	more lunch choices	Apr 4, 2011 8:16 AM
95	I would get rid of the bad gym teachers, and probably change around the schedule. (which I understand is already being done.)	Apr 4, 2011 8:16 AM
96	The math teachers	Apr 4, 2011 8:17 AM
97	More disciplinary action towards disrespectful students	Apr 4, 2011 8:17 AM
98	I would change a few things, mainly the whole deal with parking permits. The whole thing is kind of BS if you ask me. There are some students who drive to school and by the time they get to school dowsville parking lot is full so they are forced to park in the parking lot at school and risk getting a ticket. If they park over at dowsville they risk blocking people in and then have to move their car before the school day is over. Some people get to school early and have to load equipment (music equipment, sports equipment etc.) and it is not worth the walk to get it all over from dowsville. They should give out more, or just give it to kids who get there late so they are designated a spot. That's the main thing that I, and probably other students, would change about harwood.	Apr 4, 2011 8:18 AM
99	better parking lot	Apr 4, 2011 8:18 AM
100	less work	Apr 5, 2011 8:08 AM

102	better food and more freedom	Apr 5, 2011 8:11 AM
103	Have the food cost less.	Apr 5, 2011 8:11 AM
104	A person who handles situations better.	Apr 5, 2011 8:12 AM

Q14. If you could change something about your school to make it better, what would it be?

105	Maybe having less of a separation between classes like sometimes mixing up where we sit at assemblies or maybe have a combining classes activity instead of separate us by age.	Apr 5, 2011 8:13 AM
106	I don't know. I can't think of something that needs to be changed.	Apr 5, 2011 8:14 AM
107	make it not a jail	Apr 5, 2011 8:14 AM
108	the honors track and the fact that people expect and force you to take classes against your will is what's wrong, i can't learn here or have basically any choice in what i want to learn, school is basically taking my creativity and fucking it up	Apr 5, 2011 8:16 AM
109	Certain educators in the math and science department,	Apr 5, 2011 8:18 AM
110	I would make classes, particularly math classes, have three sections, honors, regular, and a slower moving pace, so that the faster classes aren't held up by students with a slower pace.	Apr 5, 2011 8:19 AM
111	a little more freedom.	Apr 5, 2011 8:20 AM
112	bigger, more kids	Apr 5, 2011 8:20 AM
113	I would make it have more clubs that I am personally interested in, maybe some art clubs.	Apr 5, 2011 8:20 AM

118	I would change the math department.	Apr 7, 2011 8:14 AM
119	the girls bathroom tends to run out of papertowels quite often.	Apr 7, 2011 8:15 AM
120	More student involvement	Apr 7, 2011 8:16 AM
121	More student involvement	Apr 7, 2011 8:16 AM
122	A different approach to teaching as well as students treated with more respect by all teachers and staff.	Apr 7, 2011 8:16 AM

Q14. If you could change something about your school to make it better, what would it be?

123	Have time to go outside and run around.	Apr 7, 2011 8:16 AM
124	Not have to take two gym classes if you do lots of sports.	Apr 7, 2011 8:17 AM
125	I feel like we should have a little bit more of a choice in the things we learn-- we do have a good selection of classes, but some more variety would be nice.	Apr 7, 2011 8:17 AM
126	everyone drive to school	Apr 7, 2011 8:17 AM
127	Teachers that don't judge you.	Apr 7, 2011 8:18 AM
128	I think that we really need to incorporate technology more in our classrooms. The idea of a "paperless classroom" is one of the best I've heard, and we should be thinking more seriously about getting away from whiteboards and blackboards. Also, we have some teachers that in my opinion, should not be teachers. I do not have any respect for some of my teachers and for that reason I don't feel compelled to do any work in their class. I also have a 100% in that class, which says something about how well they teach.	Apr 7, 2011 8:18 AM
129	There should be more choices for younger students in terms of classes. There are many choices for upperclassmen but I believe it would help the younger grades if they had the power to choose what they were to learn.	Apr 7, 2011 8:18 AM
130	more field trips	Apr 7, 2011 8:22 AM

21	no	Mar 28, 2011 8:08 AM
22	No.	Mar 28, 2011 8:12 AM
23	I really like Harwood, and think it's one of the better schools. The reason why I'm neutral on many questions is because I keep hearing about how Harwood's status is plummeting over the past few years. A lot of my friends don't like Harwood, and I can't tell if they're just being stubborn, or if they really have reason behind it. I don't know what to think right now.	Mar 28, 2011 8:13 AM
24	I really think Harwood is different then other schools in VT. There really isn't any bullying that I see, and everyone treats each other with respect no matter what grade, age, race, etc. That defenitely makes a difference.	Mar 28, 2011 8:15 AM
25	yes i cant stand strasseur and i think that he needs to learn how to teach he teaches us the same thing over and over and when we dont get something he just moves on. its annoying and atleast one person every class gets written up	Mar 28, 2011 8:17 AM

37	I love getting an education and I think Harwood it doing a good job preparing us well for our futures.	Mar 29, 2011 8:13 AM
38	Overall I really love this school and everyone in it. It's a good school to be in.	Mar 29, 2011 8:14 AM

Q15. Is there anything else you would like to say about your school?

39	It isn't good at all and has many problems that need to be fixed. New teachers that actually teach and don't pass out homework have you do it and just go around the class and see if there are words on the page.	Mar 29, 2011 8:15 AM
