20	no. i have nothing else to say	Mar 16, 2011 1:03 PM

Q15. Is there anything else you would like to say about your school?

21	I don't like how 8th graders make fun of and treat 7th graders unfairly, especially during four square. Also, I think it is very unfair how there is a designated "8th grade table", which 7th graders never get to sit at. During lunch time there needs to be more seats/ tables in the cafeteria because the 8th graders get their tables and the teachers take up a whole table of their own sometimes, (or spread out), so that sometimes there's no where in the middle school side of the lunch room to sit. We try to share our seats- but we're not allowed to share so we get in trouble. I think that, since during our lunch period there are a lot of empty seats on the high school side, the teachers should sit there so we have seats to sit at.	Mar 16, 2011 1:05 PM
22	nope	Mar 16, 2011 1:05 PM
