| 21 | Some days I like the school lunch some days I don't. I always feel like every day a door to the world of learning new things opens. Most of my friends are nice too me. Every day from the moment I wake up to the moment I go to bed I am happy. Every day I learn new and exciting things. sometimes I get a little out of control but Quickly get over it and get back to work. I think we should have a choice of what main course we want at lunch.
