Policy B1

B1: BOARD MEMBER EDUCATION

Policy

It is the policy of the member district schools of the Washington West Supervisory Union: Fayston Elementary School, Harwood Union High School, Moretown Elementary School, Waitsfield Elementary School, Warren Elementary School, and the Waterbury/Duxbury Union School District (Crossett Brook Middle School and Thatcher Brook Primary School) to encourage and support Board members' efforts to remain knowledgeable about their roles and the issues with which they deal.

Implementation

Individual Board members will take advantage of opportunities to understand their roles, educational issues in general, school programs, State Department of Education functions and legislative activities. The Superintendent and Board Chairs will be responsible for assuring that information on leadership development opportunities is available to all members. New members will participate in a district orientation session and other opportunities designed to familiarize themselves with all aspects of a Board's operation.

Members who take part in workshops and seminars offered by the Vermont School Boards Association and other organizations will be reimbursed for travel and other expenses related to participation in training activities provided prior approval is obtained from a member district school Board, and funds for these purposes are available.
