Late Runs from Harwood.....	16

Introduction

The following bus schedule is *preliminary* and may be adjusted based on ridership when necessary. Please board the bus that covers the route or meet the bus at the designated pickup points closest to your home.

NOTE: There are several changes in bus routes this year. Routes and pick up/drop-off times have changed throughout the district.

Questions? Contact Jen Mitchell at (802) 244-6422.

The departure time from the bus stops can vary by five minutes. Students should be at the bus stop, ready to board the bus **at least five minutes before the bus's expected arrival**. This will avoid unnecessary delays for students farther along on the route. Drivers and parents should set their clocks with the WDEV radio time (550AM or 96.1FM). WDEV also announces route delays.

Designated local pickup points are as follows:

- Bandstand and Warren Information Center
- Fayston Elementary School
- Irasville Country Store
- Waitsfield Elementary School
- Moretown Elementary School
- Crossett Brook Middle School
- Thatcher Brook Primary School
- Blinking light RTE 100 intersection with Laurel Lane
- Rusty Parker Park
- Park in Waterbury Center

New Granville Bus

We have added transportation to and from the Granville Town Hall. See Buses #14, #18, and Warren #2.

Kindergarten and Preschool Bus Transportation

Preschool and kindergarten students will only be released into the care of a parent or other authorized caregiver at a designated drop-off point. If the authorized caregiver is not present to receive the child, the child will be returned to the school, and the parent will be contacted to arrange transportation for the child.

Regulations Regarding Personal Property on School Buses

Students may only bring items they can carry in a bag and hold on their laps on the school bus.

Department of Transportation (DOT) regulations prohibit items in the aisle. Items that interfere with the other riders' personal space will not be allowed on the school buses. Students are prohibited from bringing on the bus skis, ski poles, snowboards, snowshoes, skateboards, ice skates, ice hockey bags, golf bags, and large musical instruments. Parents need to arrange alternative transportation for these items.
